## Introduction

If you are struggling to pay your bills please contact us as soon as possible so as there may be ways we can support you.

This Code of Practice is for Leaf Water customers and explains how we can help you manage your water bill and how our debt recovery procedure works for customers.

Leaf Water is the trading name of Advanced Water Infrastructure Networks and we are owned by Advanced Utilities Asset Networks Limited. Leaf Water is the water and sewerage service company serving your area. We are a company that owns and operates water and sewerage networks in England.

We are regulated by the Office of Water Services (Ofwat) who makes sure customers are treated fairly and protects customers whose water supply fails to meet the agreed standards of service.

## Who is responsible for the water bill at a property?

You are usually responsible for the water and sewerage charges (the water bill) if you are:

- The occupier of the property
- The owner of a vacant property

We assume that water bills will be paid by the occupier(s). In the case of property occupied by a number of people all of the responsible adults can be held liable for the water bill.

Our website is 'Recite me' enabled and our documents are also available in other formats such as Braille and large print. Please contact us for more information.

Even if the water services are not used in the property there will still be a responsibility to pay the water bill. For more information on how your bill is calculated please see our 'Scheme of Charges' which is available on our website ([www.leafwater.co.uk/tariffs-policies](http://www.leafwater.co.uk/tariffs-policies)) and in other formats.

If you are concerned that a water bill you have received is incorrect, or that you may not be responsible for it please contact us as soon as you can by phone (01376 312 420), through the customer portal, via webchat, social media or by post. ([www.leafwater.co.uk/contact-us](http://www.leafwater.co.uk/contact-us))

If you have not paid your bill it is likely that we will start our debt recovery processes and these are set out later in this document.

---

## How can we help you?

If you are finding it difficult to pay your water bill there may be ways we can support you.

Please contact us as soon as you can by calling us on 01376 312 420 or using any of our other 'ways to contact us' ([www.leafwater.co.uk/contact-us](http://www.leafwater.co.uk/contact-us)) if you are struggling financially. We have three ways to help customers:

### Payment Plans

We may be able to offer a payment plan which can help spread the cost of your water bill over a period of time with regular payments that will cover the cost of your arrears and your current water usage. This could be weekly, fortnightly or monthly to suit your circumstances.

To arrange regular payment dates please call us on 01376 312 420 to discuss and agree a suitable payment plan.

To view all our payment options please visit [www.leafwater.co.uk](http://www.leafwater.co.uk)

### WaterSure Scheme

We have a WaterSure Scheme that is designed for some customers who use a lot of water. The scheme is in line with the regulations put in place by the Secretary of State for the Environment and caps the water charges for particular customers.

We will ask you to complete an application form for this support and if you are successful your bill will be based on either the amount of water you have consumed as normal or the capped WaterSure tariff for your area, whichever is lower.

For more information on the WaterSure scheme and for eligibility criteria please visit [www.leafwater.co.uk](http://www.leafwater.co.uk)

### WaterDirect Scheme

You may be able to arrange to make payments directly to us if you receive support from the Department of Work and Pension

The WaterDirect scheme only applies if you are in arrears and if you receive

income support, job seekers allowance, Universal Credit, pension credits or Income Related Employment and Support Allowance. Please contact us for further details.

If you have contacted us and we have made further arrangements under one of the three options outlined above to help manage your payments then any escalation for the recovery of the debt can usually be avoided. It is important to keep up to date with payments due otherwise we may take further action to recover the debt.

If you have not paid your bill it is likely that we will start our debt recovery processes and these are set out later in this document.

## Our debt recovery process

Debt recovery is a last resort and we would much rather support you to manage any arrears that arise.

If you do not pay your bill by the due date shown on your water bill, or you miss an instalment as part of a payment plan we may take the following actions to recover the monies owed. The level of action we take may depend on your payment history with us.

### Initial stage

We will contact you directly, at least twice, requesting payment. We can discuss any problems you may be having and whether any of our support options are available to you.

### Stage two

If you do not respond to our communications we may ask a debt

### Other support to our customers

Being able to understand your water bill is really important. You can register to receive your water bill and other documents and communications in any of the following formats :

- Talking bills (over the phone)
- Braille
- Large print
- Textdirect
- Translated to another language

You can also nominate someone to manage your bills on your behalf.

For more information on these services please contact us

[www.leafwater.co.uk/contact-us](http://www.leafwater.co.uk/contact-us)

collection agency to recover the outstanding monies.

### Stage three

If you do not pay your outstanding water bill following engagement with the debt collection agency we may refer the matter to the County Court. We will ask the Court to order you to pay. We will also add £40 to your water bill to cover the costs of this referral.

You will receive a claim and the court will be asked to add the court and legal fees to the amount you owe. If you still do not pay the monies owed we will ask for a judgement against you and any further court and legal fees to be added to this.

If we ask the court to issue a claim against you this could result in:

- A County Court Judgement (CCJ) being made against you and this may affect your ability to obtain credit, such as loans or mortgages in the future
- A court ordering you to attend your local court to present information about your finances
- A deduction being taken from your income at source. The court will contact your employer to arrange this
- A warrant being issued to instruct a bailiff to enter your property and take your goods
- A charge on your property, if you own your own home. If your property is mortgaged we will be advising the mortgage lender of the debt and this may affect your lending arrangement

We will communicate the debt recovery action we are taking throughout the process and you can contact us at any stage to arrange payment

# Independent advice

## Consumer Council for Water (CCW)

CCW is the independent voice for water consumers in England and Wales and provides free independent advice and support.

If you have a complaint you can refer it to CCW at any point, but they may ask that you contact us to look into the matter before they begin their investigation. For more details, please take a look at our Customer Complaints Procedure which is available on our website:

[www.leafwater.co.uk](http://www.leafwater.co.uk)

You can contact CCW as follows:

By writing to:

CCW  
23 Stephenson Street  
Birmingham  
B2 4BH

Or calling them on: 0300 034 2222  
Their website is: [www.ccwater.org.uk](http://www.ccwater.org.uk)

## Further Dispute Resolution Information

### *Dispute Resolution Ombudsman (DRO)*

If you remain dissatisfied following CCW's efforts to resolve your complaint, you have the right to refer your complaint to the Dispute Resolution Ombudsman.

The DRO is an independent, not-for-profit, and government-approved service that has been appointed by CCW. It has provided a range of services to its registered business and their customers for more than 30 years. The DRO is designed to provide an independent, impartial and easy to use alternative to going to court or tribunal.

We continue to align our approach with the requirements:

- To provide DRO assistance free of charge to customers;
- To support the principles set out in the Alternative Dispute Resolution (ADR) Specification
- To respect the independence of the DRO
- To be bound by the decision of the DRO's adjudicator if accepted by the customer and to implement the decision as required by the scheme rules
- To co-operate with and have due regard to the recommendations of the ADR panel
- To provide accurate and reliable information to, and co-operate with, the DRO adjudicators

You can make an application, free of charge, via the DRO website:

<https://www.disputeresolutionombudsman.org/> or you can ask for more information from your CCW advisor. Guidance is available on the DRO website.

You can contact the DRO as follows:

By writing to:

Dispute Resolution Ombudsman  
Premier House  
First Floor  
1-5 Argyle Way  
Stevenage  
SG1 2AD

Or calling them on: 0333 241 3209

E-mailing them on:

[info@disputeresolutionombudsman.org](mailto:info@disputeresolutionombudsman.org)

Looking on their website:
